## Parent & Baby Toddlers

<p><b>My Photo</b></p> <p>Name: _____</p> <p>Date: _____</p> <p>Sign: _____</p>	 <p><b>Parent &amp; Baby Beginner</b> Now I have passed this level I am confident in the water with my parent, we can sing along and play games together while learning new things. I can submerge, arise and exit the water and float with assistance. I love spending this special time with my parent and am developing into a confident swimmer!</p>	 <p><b>Parent &amp; Baby Intermediate</b> Now I have passed this level I am doing more things on my own! I can float for a short time by myself, I can get in and out of the water on my own too. I am starting to kick well, blow bubbles and do paddle arms. I love seeing my friends every week and look forward to coming to swimming!</p>	 <p><b>Parent &amp; Baby Advanced</b> Now I have passed this level I can do lessons with a teacher by myself, like a big kid! I am really happy and confident. I can swim short distances on my own to the edge. I can go underwater like a fish and blow really big long bubbles. I can even float by myself I am so clever and can't wait to learn more swimming!</p>

## Learn to Swim

 <p><b>Sea Horse</b> Now I have passed this level can put my face in the water and blow bubbles and I listen to my favourite teacher and love trying her new games and activities. I like my swimming lessons now and making a splash every time I swim. Getting my hair wet and kicking of the platform is fun.</p>	 <p><b>Sea Horse Advance</b> Now I have passed this level can go under water and pick up toys from the platform, swim through a hoop and jump into the water by myself. I can float and climb out of the water without help. I love my swimming lesson and my teacher. Thanks to mum and dad for helping me realize how much fun swimming can be.</p>	 <p><b>Squids</b> Now I have passed this level I can float on my back and front for 10 seconds on my own. I love doing torpedos and can swim on my own for over 5 metres - wow! I can even do big freestyle arms. My parents still watch me closely even though I am becoming so good at swimming!</p>	 <p><b>Squid Advanced</b> Now that I have passed squid advanced I can do big freestyle arms while breathing to the side with a board, backstroke arms without help for 5 metres and lots of strong kicking with and without fins! I have even learned how to do scissor-kicks and dived! Now I am a diver!</p>
 <p><b>Stingray</b> Now that I have passed this level I can do freestyle, breathing to either shoulder for 7m, backstroke with my head back and tummy up for 7m too. I really like learning how to stroke well and have started learning some breaststroke too.</p>	 <p><b>Stingray Advanced</b> Now I have passed this level I can do freestyle and backstroke for over 10metres with good body position and strong kicking. My breaststroke kick really close and I can do so many little legs now without getting tired.</p>	 <p><b>Snapper</b> Now I have passed this level I can do freestyle and backstroke with good technique. My breaststroke kick is perfect, I am learning breaststroke arms and I even know some cool stroke drills.</p>	 <p><b>Snapper Advanced</b> Now I have passed this level I can do freestyle, breaststroke and backstroke with good technique. I know more cool stroke drills and can even do butterfly kick. Minima here I come.</p>

## Marlin Programs

	 <p><b>Minimarlins</b> Now I have passed Minimarlin I can do butterfly, breaststroke, backstroke and freestyle. I can also do tumble turns, race dives and read a pace clock. I am aiming to join the 500 club now!</p>	 <p><b>Marlins</b> I can now confidently swim for 1 hour with great technique. I am strong, skilful and streamlined. Swimming keeps me fit and is fun. My next goal is to join the 1000 club.</p>	 <p><b>13. Redmarlins</b> This is the top squad, only the fittest and fastest swimmers join this program. Being a member of the Redmarlins means I am a strong swimmer in all conditions and competitions.</p>
